GENERAL RULES FOR PLAY

Always wear proper tennis shoes & sports gear & don't forget to bring your own balls if not attending a coaching session!

Always have your racket dampener on your racket as proof of your membership. If you don't have it you may be asked to leave the courts.

If you play with a friend who is not a member they should pay a £5 guest fee direct to the club bank account:

Lloyds a/c number 15344868 Sort code 30 98 90 putting your name as reference stating it is a guest fee.

When coming in the gate wait until points or rallies have finished on the courts nearest to the gate & park bikes on the concrete, do not take them on the courts!

When other courts are in use don't walk behind them until a rally or point has finished or they tell you to go across as you could be hit with a ball or racket & it disrupts their game.

If a game is being played on a court near the clubhouse always walk around the other side of the clubhouse if possible so as not to disturb their play.

Please remember to press down the handle a little bit when opening & closing the gate without banging the bolt against the post.

COURT BOOKING SYSTEM

As a member you can go on to the Clubspark Booking system accessed via the Homepage of the club website & just press the court booking button & log on to book a court.

You can book once a day for up to an hour, a week in advance. Any problems let us know.

There are a few times that the courts are very busy & adults have priority. These show up as Club sessions, matches or tournaments on the booking page & are blocked out in various colours.

FLOODLIGHTS

Tokens are available to play with floodlights at a cost of £8 per hour from Jenny, Grant, Abi or Julie but juniors must be playing with an adult member who needs access to the clubhouse to put a token into the box to switch the lights on. Payment in cash or via the club bank Lloyds a/c number

15344868 Sort code 30 98 90 putting your name as reference stating it is a floodlight payment.
Instructions for using the lights are by the box.
One token covers either courts 4 & 5 or courts 1-3.
Ideally select courts 4 or 5 if only using 1 or 2 courts to save electricity.
If you finish early please remember to switch the lights off via the escape button to save electricity.

RACKET RESTRINGING

Our club member, Wayne, restrings rackets at a very reasonable rate & does it very quickly!
